4. The "Display Name" is important if you have accounts on multiple WebEOC Servers. Most of you will just put "Region D WebEOC" or whatever makes sense to you.

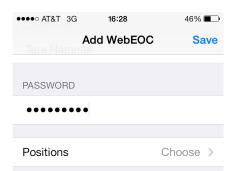

5. The URL is: https://webeoc3.greenecountyoem.org/eoc7 ***NOTE: you must enter the "https://"

URL
vebeoc.greenecountyoem.org/eoc7
USERNAME

6. The User name and password are the same as you would use to log into your normal WebEOC Account.

7. Once that information is in, it will connect to the server. Click Positions.

8. This will bring you to a list of all of the positions available to you. Check the ones you would like to receive push notifications for.

9. Click Done. This will bring you back to the page with the log-in information. Click Save.

10. Your account is now set up. When someone makes a change on a board that you are in the group to receive notifications, a notification will pop up, just like a text message would.

11. When you open it, you will notice that there are unread messages under the position that it applies to.
